THE 1974 DUKE

Windsor High School

Windsor, Virginia

Volume XLIX

It is so small a thing
To have enjoyed the sun
To have lived light in the spring
To have loved . . .
To have thought . . .
To have done . . .

You are the love of my life,
You are my inspiration;
Just you and me
Simple and free.

I'm searching for someone
who'll be true
Who'll change my life
of blue
Into a dream of golden
Rainbows . . . Where are you?

It seems I've been
searching for more than
just one lifetime.
My heart is a magnet all
for you . . . I'll know you
when I see you . . .

Oh, where are you
someone?

STUDENT OPINION POLL:
WHAT IS LOVE?

Debbie Holland: "Going horseback riding with him." Elonzo Ricks: "Knowing that the once empty space in your heart is now filled with the ecstasy of joy that you have endlessly waited for." Delores Goodwin: "Reaching out to help others and reaching to others for help." Cindy Futrell: "A warm feeling on a cold night." Timothy Allmond: "Seeing the bright side of life when the chips are low." Phillip Bradshaw: "Knowing God."

STUDENT OPINION POLL: WHAT IS LOVE? Scott Hager: "Going to a concert together," Mary Goodman: "Having a shoulder to cry on when you're sad." Denise Edwards: "Being able to be understanding." Martin Griggs: "What you make it, not what makes you!" Trina Barnes: "Living and Working together to make this world a better place to live in." Teresa Johnson: "Seeing him once in awhile."

Great!
EXIT

Many have I loved
Many times been bitten
Many times I've gazed
Along the open road.

Many times I've lied
Many times I've listened
Many times I've wondered
How much there is to know.

Many dreams come true
And some have silver linings
I live for my dream
And a pocketful of gold.

I'm not looking for another
As I wander in my time,
Walk me to the corner
Our steps will always rhyme,
You know my love goes with you
As your love stays with me,

It's just the way it changes
Like the shoreline and the sea,
But let's not talk of love or chains
And things we can't untie,
Your eyes are soft with sorrow,
Hey, that's no way to say goodbye.

Ann,

JAN 0 4 2006

It has been great knowing you for the past ten years (wow) and having classes with you this year. Have a nice summer and keep smiling. Best of luck with you-know-who. Hope to see you next year.

Love ya,
Eunice
(a friend always)

Ann,
It has really been a pleasure being in a few of your classes this year. And think next year will be junior! Good luck and good luck in years to come.

Ann,
It's been great knowing you like
[illegible]
I'll miss you
I mean

Ann

It's been great, getting to know you this ~~summer~~ year, sorry my mind's somewhere else today, I guess you know who I'm talking about to. I hope everything works out for you this summer, with that someone special. You're a real sweet person and you'll get a lot just being special to everyone. Hope to see you soon, Take care.

A friend always

Ann,

Had great fun last year in Biology this year didn't we, even though I was lab assistant and you were taking the course. I will always remember the funny times we had with Bryan & Kenny and all the work you helped me with. Behave yourself always. Good luck in the coming years
